

# Table Discussion

# Table Discussion Instructions

---

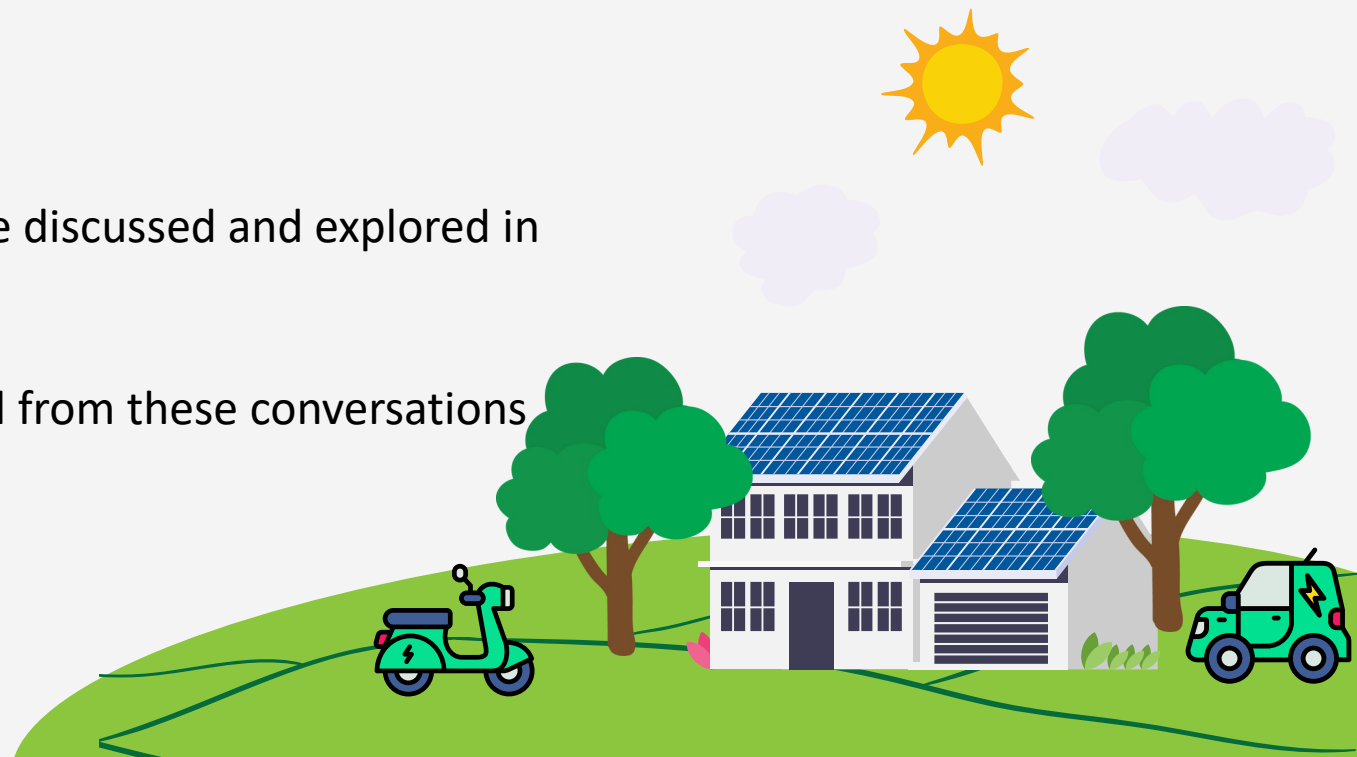

1. Each table should identify
  - a. A facilitator (some have been assigned)
  - b. A notetaker (some have been assigned)
  - c. A timekeeper
  - d. A reporter: someone to report out to the group, different than the facilitator
2. Each group will have a notepad to capture notes from the discussion so they can be used for the report out
3. Please leave the notes from the discussion on the table or give them back to me at the end

# Table Discussion Questions

---

1. What else can we all, as stakeholders in this transition, do to foster innovation and collaboration in this work?
2. We identified two areas/strategies for a more efficient grid transition, related to planning and technology.
  - a) How do you reflect on those strategies?
  - b) What are other areas/strategies that should be discussed and explored in this forum?
3. What stakeholders are missing from this event, and from these conversations more broadly?
4. What would be valuable for you to get out of this event series?

# Transitioning to the Future Grid in MA Event Series

Event 1 | Exploring strategies for  
an efficient grid transition

# Future Events in this Series

---
